REMARKS	UTM E 600425 N 4765959 ICT4 Wiley Aquiso Fire started on the edge of private and BLM lands. Gusty winds hampered control efforts but used roads and dozer lines to help corral the fire. Fire was controlled at 2100.	UTM E 635449 N 4765436 ICT3 Dennis Konrad ICT3T Jarod Jablonski Fire started at roadside burning in old growth sage brush in a steep canyon. Major powerlines threatened and some damaged. Oregon Trail right now sits just north and west of the fire. Rural structures may be threatened on the outskirts of Glenn's Ferry. Substantial winter range habitat burned. LEPA area is also threatened to the west. Fire is approximately 5 miles NNW of Glenn's Ferry. As of 2030, fire looking better with approximately 6500 acres burned, NE corner is the problem area.	UTM E 578853 N 4819932 ICT4 SITZ Fire burned in grass and brush in steep terrain near Barclay Bay at Lucky Peak Reservoir. Hampered by access, crews were shuttled to the fire via Ada County Sheriff and Coast Guard Auxiliary boats. Helicopters stationed at Lucky Peak GS were key to quickly knocking down the fire.
